

West Sussex based dealer Meridian Motorhomes has moved its sales dealership to new, larger premises next to its NCC approved service workshop site in Bosham, near Chichester. At the new site they can offer large undercover as well as outside sales areas, with reception and waiting area, accessory shop, customer toilets, in addition to the NCC approved service department offering full servicing facilities, repairs and accessory fitting. They offer ample free parking and the option of courtesy cars for customers whose vehicles are in for repair. Check out the Meridian website at <http://www.meridianmotorhomes.com/> for more information.
